

CLIMATE LEADERSHIP PROGRAM

Session 3: Resilience Innovations and Carbon Trade in the Asia Pacific
September 25, 2020, Fri., 3:00 p.m. – 5:30 p.m. Korean Standard Time

- International city network comprising of city governments, urban stakeholders, and corporate sectors comprise CityNet membership
- 163 members in Asia-Pacific region
 - **107 Cities, 53 Organizations, and 3 Corporate Members**
- CityNet is more than 30 years city network. One of the pioneering city networks for the cities in the Asia-Pacific. CityNet Secretariat is based Seoul. Seoul Metropolitan Government is current President City.

Core Activities:

- Provide sustainable learning platform among our members through customized capacity development, localized workshops, city-to-city cooperation, and both regional and local projects with partners;
- Advocate city-level issues in global-level discussions and influence both global and regional policy deliberations;
- Implement special projects to help fill gaps to overcoming long-term urban development challenges;
- Enable policy, technology, and technical knowledge transfers among our members

How to be a CityNet Member:

- Visit <https://citynet-ap.org/get-involved/become-a-member/>
- We accept membership applications year round but we encourage to submit before fourth quarter each year in time for deliberation and approval from the Executive Committee
