

Contribution to Citynet

Quezon City

- Most populous city in the Philippines with 3,185,894 population in 2022
- With an area of 16,112.58 hectares, it is the largest in Metro Manila and 2nd largest in the country
- Only Philippine City member of C40 network of global climate leaders
- Multi-awarded City at the domestic level:
 - Digital Governance Awards (2021)
 - Overall Most Competitive Highly Urbanized City in the Philippines and Hall of Famer (2019-2021)
 - Best Local DRRM Council (with Excellence in DRRM and Humanitarian Assistance) in the country in 2019
 - Best Local DRRM Council in Metro Manila in 2018-2019
 - Best Overall in Disaster Response Operations in Metro Manila “*Parangal para sa Pusong Magiting*” (2019)
 - Seal of Good Local Governance Awardee (2017-2019)

As among the most distinguished cities in the Philippines, Quezon City commits to..

...Share best practices for disaster risk reduction that gained recognition in the country and international stage:

- **Empowerment of the grassroots**
- **Devolution of DRRM into communities**
- **Establishment of localized, end-to-end early warning systems, reaching the last mile**
- **Drainage Master Planning**
- **iRISE UP (Intelligent, Resilient, and Integrated Systems for the Urban Population)**
- **Public Service Continuity Planning**

For COVID-19 Response:

- **Enhanced Facility Admission System**
- **“New Normal” protocols in rainy season and fire incidents**

As among the most distinguished cities in the Philippines, Quezon City commits to..

...Share best practices that gained recognition in the country and international stage:

For Climate Action:

- **Decarbonizing electricity consumption through solarization**
- **Regulation of Single-Use Plastic through policy intervention**
- **Clean Energy in Quezon City: A Wasteland turned into a Waste-to-Energy Model**
- **Local Climate Change Action Planning**
- **Putting gender equality in climate action**

...Impart knowledge, experience, and innovative solutions for urban challenges while creating awareness and establishing good rapport among old and new members of the Citynet.

...Serve as host for future cluster meetings and Congress events.
