Why Taoyuan Wishes to Apply as a Disaster Cluster Co-Lead?

→ Taoyuan's efforts in promoting Disaster Preparedness:

Taoyuan has established disaster response centers at all levels.

Taoyuan holds disaster prevention meetings and publishes disaster prevention and relief white papers.

Taoyuan conducts disaster prevention and relief drills on a regular basis.

Taoyuan's specific contributions to CityNet Clusters

To support the Disaster Cluster Lead in organizing various activities;

To organize forums for the Disaster Cluster and to facilitate the exchange of best practices between cities;

To offer Taoyuan's abundant experience in disaster control and prevention to CityNet members;

To utilize the resources of Taoyuan Disaster Education Center to offer expertise and know-how to members;

To actively engage departments of Taoyuan City to contribute to the various forums and activities held by the Disaster Cluster;

Taoyuan's specific contributions to CityNet Clusters

-  To arrange visits for the study group;
-  To promote joint projects;
-  To assist cluster members in establishing collaborative demo sites;
-  To enhance the Disaster Cluster's cooperation with other international organizations;
-  To facilitate the hosting of international activities by leveraging Taoyuan's geographic convenience as an airport city.
