- Get the first Climate Change Cluster Grantee – SDG Self Assessment Workshop
- Join the Climate Change Cluster
City Government of Makati (CGM)
Specific Contributions as CityNet Executive Committee Vice-President (2023 - 2026)

Promotion of Sustainable Development

• Push for Policy-driven CITYNET such as the implementation of People-friendly Cities Initiative that can be replicated (e.g.: Makatizen Card and App).
• Mainstream SDGs at the local level and pushing for a simplified Voluntary Local Reviews (VLR) through initiatives like the CityNet SDG Navigator Platform
• Strengthen Institutional Leadership and Knowledge Exchanges (e.g.: Public Private Partnership - Makati City Subway, SDG Knowledge Platform – Makatizen Card)

* The Makatizen Card and Makatizen App –proved their relevance and importance during the height of COVID-19 pandemic in the Philippines. Makati became the first, if not the only, local government in the Philippines to implement the contactless distribution of cash aid to constituents

** The Makati Subway is expected to reduce 2.3 million tons of carbon dioxide each year upon operationalization
City Government of Makati (CGM)  
Specific Contributions as CityNet Executive Committee Vice-President (2023 - 2026)

Hosting of the CityNet National Cluster - Philippines
