

OFFICE OF THE MAYOR

Aug 6th, 2024.

**Invitation to the 10th Global Conference of the Alliance for Healthy Cities
in Seoul, Republic of Korea, September 25-27, 2024**

I would like to take this opportunity to pay tribute to your commitment to the development of healthy cities and the well-being of citizens, and to invite you to the '**10th Global Conference of the Alliance for Healthy Cities (AFHC)**' which will be held in Seoul on September 25-27.

The theme of the Conference, co-hosted by the Seoul Metropolitan Government (SMG) and the Alliance for Healthy Cities in the Western Pacific Region, is "*Smarter and Healthier Cities for a Better Future*". It will be an invaluable opportunity for city mayors and global leaders to convene and discuss conditions and strategies for smart, sustainable, and healthy cities, share best practices, and strengthen city-to-city exchanges.

The SMG is planning on organizing specialized and structured healthy city sessions and networking programs, including Global Health Leaders' Forum, and carefully selected field visits to help participants gain insight into strategies and action plans to build healthy cities.

I hope that you can join us at the Conference to share your invaluable input for 'smart, sustainable, and healthy cities' and furthermore, enjoy the many attractive elements of Seoul. I look forward to seeing you in Seoul in September and wish you all the best.

For any question, please feel free to contact our secretariat at secretariat@afhc2024-seoul.kr

Best regards,

Oh Se-hoon
Mayor of Seoul
