Condolences for Nepal quake victims

CityNet is deeply saddened by a devastating earthquake that struck Nepal on April 25th and killed thousands. On behalf of the entire network, CityNet extends its prayers and heartfelt sympathy to those who are affected and all citizens of Nepal. Together with Seoul Metropolitan Government and the City of Yokohama, CityNet Secretariat and CityNet Yokohama Office generate assistance for Nepalese cities to recover from the major disaster. We welcome financial and technical assistance from members.

Announcements and Opportunities

CityNet Affordable Housing Session Explores Unique Aspects

On April 8th, CityNet hosted a side event at Seoul City Hall on the topic of Affordable Housing as part of the ICLEI World Congress. A wide range of speakers explored unique aspects of Affordable Housing that included case studies, exploring environmental challenges, understanding architectural opportunities and sharing best practices.

KDI School of Public Policy and Management scholarship opportunities

Korea Development Institute School offers scholarship opportunity for Master of Public Policy (MPP) and Master of Development Policy (MDP). All lectures are conducted in English. Every year, KDI School admits international students from 70 different countries and more than 60% of them are government officials.

Save the date for the 33rd Executive Committee Meeting

Mark your calendar for the Thirty Third Session of the Executive Committee and Back-to-Back seminar that will take place from October 5th-7th, 2015 in Sidoarjo, Indonesia. Further details on both the event programmes and registration process will be announced as they become available in the following months.

Register to CityNet activities in 2015

Keep yourself updated with the list of CityNet activities throughout the year covering key urban issues including disaster management, flood management, affordable housing, infrastructure financing, and urban planning. Spaces might be limited so apply as soon as possible if you are interested in attending.

CityNet is Hiring Summer Interns!

Would you or someone you know like to gain hands on experience working on sustainable urban development projects, events or communications? CityNet is hiring Summer Interns to work for 3-6 months at the Secretariat in Seoul. The deadline for applications is May 1st. Please email Marina Brenden at programs2@citynet-ap.org with any inquiries.
