Dear CityNet Member,

Re: General Call for Invitation to Bid to 2018 or 2019 CityNet Executive Committee Meeting

As the Secretary-General of CityNet, it has been my pleasure to witness the active engagement of officials in CityNet activities as well as your personal commitment to making Asia Pacific a more inclusive and sustainable region. CityNet members are enthusiastically working to address the most pressing urban development challenges in their cities.

Every year, the CityNet Executive Committee convenes to discuss some of these initiatives and to share the work of the Secretariat. It is one of our most dynamic events and it always brings a renewed energy to our members.

This year, the 35th and 36th Executive Committee Meetings will take place in Colombo, Sri Lanka on November 5-8, 2017. This is also in conjunction with the 8th General Council.

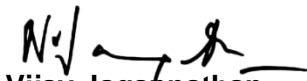

Considering your participation in CityNet activities and commitment to building a resilient Asia Pacific region, I would like to humbly ask you to consider the possibility of hosting CityNet's Executive Committee Meeting in either 2018 or 2019. Holding the meeting will be a privileged opportunity to highlight the city's cultural and historical heritage and best practices to international colleagues.

Please see attached the Expression of Interest (EOI) form and the Guidelines that should help you to decide. Note that the EOI form will be subject to further review as we will select the most suitable applications.

We hope we can get your response on or before October 06, 2017, Friday. If you have urgent queries, please email programs2@citynet-ap.org

Thank you very much for your understanding and I look forward to your favorable reply.

Sincerely Yours,

Vijay Jagannathan
Secretary General
